

DISCOUNT MEDICAL AND SURGICAL SUPPLIES

A complete line of discount medical and surgical supplies and office equipment is available at www.VaccineShoppe.com .

After you log on, click the Order Products tab and product categories will be shown along the left side of the page.

This service gives you the convenience of one stop shopping for Sanofi Pasteur vaccines and all the professional supplies you use in your office.

Anyone with a Sanofi Pasteur account can access the VaccineShoppe site, but Main Street Members receive significant discounts and benefits. Members are automatically recognized at log on.

Vaccines from manufacturers other than Sanofi Pasteur, including Merck Vaccines, may also be ordered at www.VaccineShoppe.com. However, these purchases do not qualify for our pricing or terms and do not count towards Main Street rebates or bonuses. To get our Merck Agreement prices and terms you need to separately enroll in that contract and order directly from Merck.
